Frequently asked questions

Do we need to book?

We always accept walk-ins for smaller or larger groups; however, our function rooms are available to book for groups of 10 or more guests. There is no charge for our rooms, however at certain times of the year we may require a minimum spend.

Can we book food?

We welcome both 'drinks only' and breakfast, lunch, and dinner bookings. Our kitchen is small, perfectly formed and at the top of lots of stairs, therefore for groups of 16 guests or over we ask that you pre-order from our 'Feasting Menu'. In our Basement and Attic Rooms we offer only our 'Feasting Menu'.

Which space will work best for my event?

Please ask the team which room will suit your needs best, they'll be happy to help. The attic rooms or basement are perfect for a more intimate and private gathering. Whereas the taxidermy or blue room is nearer the bar, so easier to soak up the atmosphere of the building and rest of the bar.

Do you have screens and can we play our own music?

We have screens available in our attic rooms, with HDMI cables and the ability to show your presentations. All our spaces have music, you can play your own play-list via Bluetooth on your phone in the attic rooms and basement.

What is your policy for children & pets?

Children and dogs are always welcome!

We will always do our best to accommodate special requests, we're a super friendly bunch.
