

Welcome to the Madness Mansion

We've got more craft beers than York has ghost stories, more hidden nooks than a medieval monastery and more insane art than a Dutch gallery.

Looking for an unforgettable space to host your gathering, wedding, corporate meeting, séance...? You're in luck!

Whatever the occasion, contact us to discuss your requirements and BOOK.

Let the revelry begin!

We have five unique spaces, each with its own character, plus a team of hospitality experts ready to bring your vision to life.
